Sheriff Kyle Sapp explained that Tattnall is unique in the fact that three prisons are located in the County. Allowing offenders to appear virtually for court appearances via technology would cut down on court cost and allow for a safer environment for roadways and citizens. In addition, the Georgia Department of Corrections is providing technical assistance, computer hardware and software licenses at no cost to the County.

There was a motion by Commissioner Bobby Kennedy and 2nd by Commissioner Edward Kennedy to approve the Intergovernmental agreement with the Georgia Department of Corrections for virtual court appearances. Motion carried unanimously.
